Subject:- Evaluation of Practical Exam on the same day of Examination.

Sir,

It has come to the notice that, most of the practical examination centres are not submitting evaluation sheets of practical exam on the same day of exam evaluated by the examiner. Some centres are submitting evaluation sheets after 15 days of completion of practical exams which is not correct.

Therefore, it is directed to State Directorates to pass certain clear instructions to the Chairman(s) of the Practical Examination centres over evaluation procedure so that evaluation should be done on the same day of practical exam of all trades including Draughtsman Civil and Draughtsman Mechanical and evaluated marks statement (Question wise marks awarded) should submit to the Chairman of the respective Practical Trade Testing Centres (PTTC) on the same day after completion of practical examination by the qualified external examiner in a sealed cover.

Yours faithfully,

(Sunil Kumar Gupta)

Director of Training (TTC)
