Subject : Expanding the 'Adobe Digital Disha Initiative'- reg

Sir,

As you are aware, Adobe Systems Software Ireland Limited has launched a national initiative for fostering digital literacy & creativity skills amongst the Indian youth, through its 'Adobe Digital Disha Initiative'. Accordingly, regional workshops (1-2 days duration) are being conducted for capacity building of trainers on usage of its digital application – the Adobe Spark, across short-term & long-term skilling initiatives to help trainees create digital projects using tools such as the Spark Page, Spark Post & Spark Video including digital resumes and portfolios.

2. Initiating this understanding, a tri-partite MoU has been signed between this Directorate General of Training (DGT), the National Skills Development Corporation (NSDC) & Adobe Systems Software Ireland Limited on September 5<sup>th</sup>, 2018. This is an absolutely 'free-of-cost' training opportunity for trainees from all trades and Adobe will be issuing about 21 Lakh free **Adobe Spark Software licences** for using the afore-mentioned tools. Adobe will also be providing support for trainings and webinars for the license-holders. Hence all States/UTs have must organise training of trainers and trainees under the 'Adobe Digital Disha Initiative'.

3. Accordingly, all State Governments are being requested to create list of all ITIs willing to participate in this and to share the following information to enable smooth dissemination of the Adobe licences :

S.No.	Description	Last Date of Submission
1.	<b>Detailed information of all participating ITI across the state:</b> <ul style="list-style-type: none"><li>• State:</li><li>• Name of the ITIs / Institutions</li><li>• Address (Complete with Pin Code):</li><li>• Name and e-mail id</li><li>• Name, Mobile no and e-mail id of the project Co-ordinator from respective ITIs.</li></ul>	24 <sup>th</sup> May,2019
